Teragren is a leading manufacturer of environmentally friendly bamboo flooring, panels and veneer. Teragren products are made from sustainably harvested Moso bamboo and contribute to LEED certification. The extensive collection includes Teragren's Signature Colors, Synergy Strand and Craftsman Wide Plank Bamboo Flooring Lines as well as coordinating bamboo panels-great for kitchen cabinetry. Their latest product is the Bamboo Parquet Butcher Block, a modern interpretation of a kitchen countertop classic.

blink favorite: Teragren Signature Colors Bamboo Flooring shown in Walnut, Teragren Synergy Strand Bamboo Flooring shown in Wheat, and Teragren Craftsman Wide Plank Flooring shown in Flat Grain Caramelized.
