Armstrong's new Global Exotics hardwood offers sophisticated grains, such as this Cumaru Brazilian Teak showcased in a natural finish. Available at Arnold's Flooring America, Bassett Furniture Direct and Inside Effects in Little Rock, Whitley Floor Covering in Benton, Tom January Floors in Fayetteville, National Home Centers and other retailers statewide.

Boasting the rich grain of wood, bamboo flooring is versatile, durable and an easily renewable resource. Teragren bamboo floors complement any décor thanks to the wide variety of finishes available, including the charcoal shown here. Available at Abbey Carpet and Arnold's Flooring America in Little Rock and Lumber One in Stuttgart.
