<b>2007 Revenue</b>	\$17.3 million
<b>Employees</b>	21
<b>Website</b>	<a href="http://www.teragren.com">www.teragren.com</a>

**What it does:**

Manufactures bamboo flooring, panels, and veneers.

**Why it's growing:**

Because bamboo is a rapidly renewable resource, the use of bamboo meets the requirements of the growing "go green" movement.

**What's noteworthy:**

One of Teragren's customers is the Environmental Protection Agency.
