# Create Your Style

Light, clean maple cabinets

No matter what look you're after—traditional, cottage, or modern—the key is pulling together all the right elements. We know it's a challenge, so we're giving you a head-start. We chose six of our favorite kitchens and bathrooms, then found products and color schemes to give your kitchen or bath the same feel. Keep reading to assemble all the pieces of a room that's perfectly suited to you.
