1 C2 from Ceres includes finish with micro-beads

Ceres Cork C2 commercial flooring features a factory-applied finish made using ceramic micro-beads. According to the company, the finish is extremely hard and durable. Ceres Cork C2 is offered in tile and plank formats, in 24 colorways. **For details, circle 299 on the Reader Inquiry Card.**

2 Spinato and Pesca looks highlight Expanko range

Expanko's Spinato and Pesca Handcrafted Italian Veneers recently received the Best of NeoCon Silver Award. The cork flooring products feature handmade patterns, according to Expanko. The products were chosen for "design, flexibility, environmental contributions, commercial suitability and ease of maintenance," the company says. **For details, circle 300 on the Reader Inquiry Card.**
