PRODUCT INFO

Job fillers and tub and shower fittings, as a 1.5-gpm water flow (and is soon equipped with low-leak waterways) in style, the line includes two-spread center faucets that can fit a collection comes in chrome and o. 211

Get Connected

Part of **Berenson Corp.**'s ClassicComfort series, Connections is a decorative hardware collection that was designed with simplicity in mind. Combining modern and traditional influences with simple shapes for use in any style of room, it comprises three pulls and one square knob, each offered in vintage nickel, matte black and

Play Ball

One of three designs in **Tracy Glover Studio**'s Bocce collection, the Bocce Scaccia comprises a triple bubble finial of 3-in.-diameter glass beads, a 6-in.-diameter drum shade and a backplate offered in brushed nickel or brushed brass. Measuring 18 in. tall, the fixture comes in 11 striped

Walk the Plank

Teragren's Portfolio collection of strand bamboo flooring uses Xcora Technology—which fuses bamboo fibers with an eco-friendly adhesive under extreme pressure—making it ideal for high-traffic interiors. Ten designer colors in a variety of textures and patterns are available, including Paris Black, Rich Cognac, Hewn Tawny and Brown Sugar. Each measures 5 in. wide x 7 1/2 in. long x 1/2 in. high and features a fold-down, self-locking system for easy installation.
