FABULOUS FLOORING

From recycled wood to rugs, todays floors have it covered

BY ANDREA GROSSMAN

8. Floating Floor

Bamboo flooring manufacturer Teragren has introduced the newest addition to its Synergy Line, a wide plank, floating floor. Equipped with a glueless self-locking system for stability and ease of installation, the product is available in Wheat, Chestnut, Java and Brindle and can be installed anywhere in the home, including basements and bathrooms. www.teragren.com
