### BAMBOO COUNTERTOPS FROM TERAGREN

**Strand Street:** The manufacturer has added three new renewable bamboo countertops to its collection of products: strand, end-grain strand, and traditional. Made with non-urea adhesive, the strand countertop products are 154 percent harder than red oak and each top is bacteria-resistant and formaldehyde-free. Various sizes are available from 36 , 72 inches long, and 1 1/2 inches thick. Teragren. 800-929-6333. [www.teragren.com](http://www.teragren.com).
