14 key decorating strategies

Refresh your look with interior design tips you can use in any room

Strategy No. 2: Layer color and texture

Photo by Thomas J. Story, Home Decor: A Sunset Design Guide

The clean design of this blue and white kitchen is layered with pops of energetic color. The red drum pendant from Croft & Little illuminates the bamboo island top from Teragren.

Glass-front cabinets provide a showcase for colorful pottery.

The bamboo-topped table on casters tucks under the island and can roll away for use throughout the house or outside. Mixing up the chair styles adds casual appeal.
