

## **Teragren Launches Contract Division**

September 13, 2010

Bainbridge Island, Wash.-based Teragren announced the launch of its contract division. The new division will be led by Bill O'Neill as contract manager, North America. O'Neill brings a background in contract flooring and architectural materials, and previously founded OneSource Products, a rep group focus on materials for the A + D industry. Teragren is a manufacturer of environmentally-friendly bamboo flooring, countertops, panels and veneers.
