Bamboo Butcher Block

Available in natural and caramelized colors, Teragren's bamboo parquet butcher block can be used for counters or tabletops. Made with a formaldehyde-free, food-safe adhesive, the butcher block is available in countertop sizes (30" x 96") and will soon come in a standard island size (36" x 72"). Larger sheets and custom sizes are available by special order.

Great for: The environment

Made by: Teragren

Available: Now

SRP: \$375 to \$400 per sheet
